U.S. Probation Officer Action: The defendant has been on supervision for approximately 14 months, and this is his first violation. The defendant disclosed that he had purchased a vape pen that contained CBD at a gas station. He reported he was unaware that a CBD product could test positive for marijuana and thought they were legal because it was purchased at a gas station. The defendant was verbally admonished and instructed to cease all use of vape pens/vape products that contained CBD. He will be required to submit to random drug testing. It is requested that no action be taken at this time to allow the defendant to regain compliance. Should he incur further violations, the Court will be notified immediately.
